

Unit Procedure for Processing a Unit Renewal
(Basic process is the same regardless if it is the unit or the council processing the renewal.)
December 2025

All validation errors will have to be resolved before the renewal can be posted. It is suggested to check for and resolve anything that will return a validation error before initiating the renewal process.

Tips for a successful unit renewal:

1. Remember: This process only renews the unit, not any of the members, which is a separate process based on the joining date or their last renewal date.
2. A unit can renew two months prior to expiration.
Expiration date = June 30, renewal opportunity begins May 1.
3. A unit has a two-month lapsed period after the unit expires.
Expiration date = June 30, lapse period ends Aug 31, will drop Sept 1.
4. It is recommended to pre-check all requirements are met prior to proceeding to avoid any validation issues.

Validation Codes in Unit Renewal:

Errors (red) will not let you proceed.

Warnings (yellow) will allow you to proceed.

- a. *Leaders do not have current annual Safeguarding Youth Training – **Error.(most common)***
 - b. *Unit does not have required number of leadership positions – **Error.***
 - c. *Leaders are less than 18 years old – **Error.***
 - d. *Youth do not meet the age/grade requirement for the program – **Error.***
 - e. *Leaders do not have completed CBC Authorizations – **Warning***
 - f. *Adults do not have SSN – **Warning***
5. Check your leadership positions and make sure you have the correct names in the correct positions, if not the Chartered Organization Representative can use “Position Manager” also found in Organization Manager to edit and then wait overnight for the data jobs to run, then you can validate again.
 6. Have payment information available to pay the Unit Renewal fee (\$100.00).
 7. Proceed with unit renewal.

Other than access point, the unit renewals are processed the same way regardless if it is the unit processing the renewal or the council processing the renewal.

Log in to my.Scouting>Org Manager>Unit Renewal.

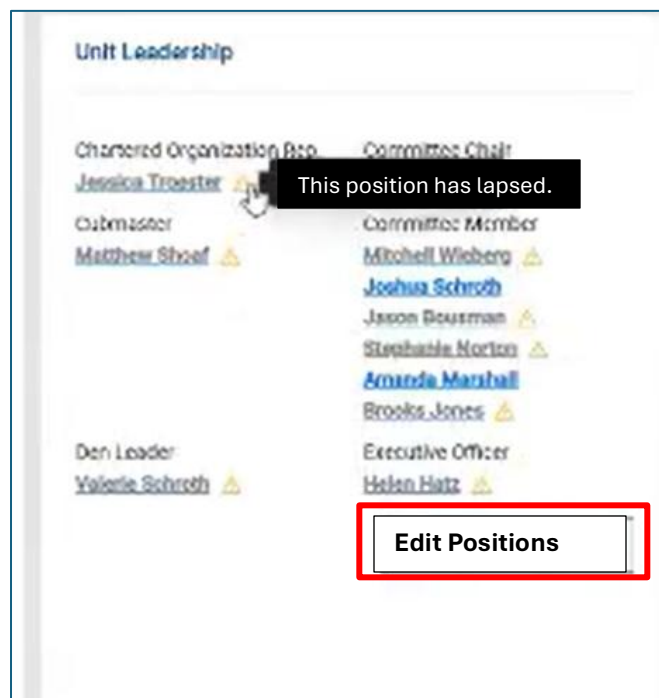

If the Key 3 member processing the unit renewal is a member of multiple units, be sure the correct unit is selected for processing.

Accessing the unit renewal automatically initiates the validation process. If any errors are found, they will have to be resolved before you can proceed.

If a leader is listed in grey, that means that leader has lapsed. If the leader is in a required position, they will have to be renewed before you can proceed with renewing the unit.

If the leader is listed in blue, their registration is current.

You can select Edit Positions to be taken to the Position Manager to make any necessary changes in position. Changes in Position Manager can only be completed if the member is not expired. If they are expired, renew their membership, and wait overnight for it to post. Then return to the renewal process where the validation process will run again.

Scroll down to see any Validation Errors.

In this example, the error is regarding “not enough required number of leadership, but currently there are 0”. Be aware, there are also instances where there could be too many assigned to a specific role resulting in the error. This will be reflected in the number following the error message.

The screenshot shows a web form titled "Unit Renewal and Leadership Approval". At the top, there is a "Validation" section with a red warning icon and the text "Charter Validation Results 1 Error". Below this, a red-bordered box contains the error message: "Error: Unit does not have required number of leadership positions". Underneath the error message, a list titled "Positions Affected:" includes: Executive Officer (Required: 1, currently assigned: 0), Committee Chairman (Required: 1, currently assigned: 0), Scoutmaster (Required: 1, currently assigned: 0), Den Leader/Icon Guide/Tiger Den Leader/Wildcat Leader (Required: 1 or more, currently assigned: 0), and Chartered Organization Rep. (Required: 1, currently assigned: 0). Below the error box, a text field labeled "Sign as approval" is highlighted with a red box. At the bottom of the form, there are two buttons: "Click here for Pay at the Council Office Option" and "Next Step: Unit Pin Review".

Selecting “Click here for Pay at the Council Office Option” creates a renewal summary document to take to the council along with your payment.

Select “Next Step Unit Pin Review.”

This screenshot shows the same form as the previous one, but with additional details. At the top right, there is a "Membership" section showing "2 Youth Members" and "0 Multiple Members". The "Validation" section is still present, showing the same error message and list of affected positions. Below the error box, the "Unit Renewal and Leadership Approval" section is visible, showing a text field labeled "Sign as approval" and a "Or File" button. At the bottom, the "Click here for Pay at the Council Office Option" button is highlighted with a red box, and the "Next Step: Unit Pin Review" button is highlighted with a blue box.

Review the unit pin information making any necessary edits. Make sure that if “Appear on BeAScout” is selected, that there are fields selected to display. Otherwise, you will receive an error when trying to advance the process to the next step.

Once the unit pin information is correct, select “Continue to Unit Renewal.”

Continue to Unit Renewal

Review that everything looks correct on the payment summary screen.

The unit renewal has been successfully created. While the unit is in the initiated status, the council has the ability to “delete order” if needed. If the renewal is at any other status, the Delete Order option will not be displayed for the council to select.

The fees listed should only be the \$100 unit renewal fee.

Enter the units payment information. Select “Process Payment and Renew Unit.”
